

# BED OF ROSES DOG BED FROM PET INTERIORS

Posted by [Capree Kimball](#) on 05.27.15 in [Beds + Furniture](#)

|| VIEW THE PHOTO GALLERY ||

Sleeping on a bed of roses is the stuff of fairytales — until now! The “[Bed of Roses](#)” dog bed from Pet Interiors features a machine-washable cover with textural, fleece rosettes and an orthopedic, high-end latex filling. In other words, it might be the most comfortable dog bed ever. Now, if only it left your dog smelling like roses...

Available online from [Pet Interiors](#).
